

Approved For Release 2002/08/21 : CIA-RDP91-00682R000100110022-8
Friday - 12 August 1949

1. George Moore, Staff Chief of the House Post Office and Civil Service Committee, informed me that possible amendments proposed by CIA to the Revised Classification Act bill would not be accepted by the Committee due to question of time. They do not wish to consider any perfecting amendments at this Session, but merely to pass a general bill.
